

- Homeowners must use only the approved **Sherwin Williams** colors, color numbers, and color combinations, as displayed here and on a hard copy color palette maintained by the ARC.
- Once the Homeowner choses a color(s) from the approved palette, the matching color number must be used to mix an accurate color, as scanned or printer copies are approximate and inaccurate.
- **Before approval**, all Homeowners ***must*** display color samples prominently on their home so all BOD and ARC members can review the samples.
- Sherwin Williams on Palm Bay Road (and Palm Bay Road ONLY) will give all PSW homeowners a substantial (40%) discount on these paint colors.
- Homeowners may also go to Lowes or Home Depot, once they have color numbers, and have the color(s) mixed there.
- *It is imperative to note that **only** Sherwin Williams colors, with their corresponding number, will be approved.*
